

Final Information Letter

23rd Biennial International Convention
APRIL 2014
4th, 5th & 6th
Friday Saturday Sunday
Jinnah Convention Centre, Islamabad

Pakistan Islamic Medical Association (PIMA)

Platinum Partner

Gold Partner

Silver Partners

BE PART OF THE LARGEST GATHERING OF DOCTORS IN PAKISTAN

23rd Biennial International Convention

And he to whom
wisdom is granted
receiveth indeed a
benefit overflowing;

”اور جس کو حکمت ملی، اسے
حقیقت میں بڑی دولت مل گئی“

وَمَنْ يُؤْتَ الْحِكْمَةَ
فَقَدْ أُوتِيَ خَيْرًا كَثِيرًا
(سورة البقرة، 269)

Dear colleagues

السلام علیکم ورحمة اللہ وبرکاتہ

Pakistan Islamic Medical Association (PIMA) is decisive to heighten the Professional competencies of the doctors through its series of training workshops, seminars, symposia and conferences. PIMA established different projects to enhance professional expertise of doctors through continuous medical education and striving to connect its members/ associates towards Islamic way of life. PIMA relief and public welfare projects have been serving millions of people with in the country and abroad whilst PIMA remained at fore front in managing all disasters, calamities and at the call of society, governments or people.

PIMA regularly holds biennial conventions aiming to achieve its educational, training and spiritual objectives through series of well planned workshops, plenary and scientific sessions.

The Capital city of Pakistan is hosting International biennial convention on 4-6 April 2014, where legends of

medical fraternity from all over Pakistan and abroad will be deliberating on recent most professional concerns in different specialties and health policy issues facing Muslim world at this time. Over one hundred speakers from Pakistan and abroad representing almost all medical specialties shall be present in this convention. Six hands on workshops, eighteen scientific, five plenary sessions and key note addresses will provide adequate professional and spiritual boost to 3000 delegates participating from all over Pakistan and Azad Kashmir.

Islamabad, the most beautiful and organized city of the country catches huge number of tourists, where beside the most eyes - catching weather during April (temperature Range 15-29°C); there is a lot of interest and drives to visit Islamabad.

The organizing committee greatly approves and privileged to host the delegates in the Biennial International Convention- 2014, which will turn to be an inimitable event by your full participations. The families and friends may accompany you to further enhance your reasons to travel to Islamabad. May Almighty Allah accept the endeavors of every one to make this event a memorable one and bless the efforts everybody who strive in His cause?

Prof. Muhammad Iqbal Khan
Convener, PIMA Convention 2014 Islamabad
